The New York Herald was founded by James Gordon Bennett in 1835. It remained the sole property of its founder until his death, in 1872, when his son, also James Gordon Bennett, succeeded to the ownership of the paper, which remained in his hands until his death, in 1818. The Hyrald became the property of Frank A. Munsey, its present owner, in 1920.

was "Ixlon," with Lydia Thompson, Ada Harland, Liza Weber, Pauline Markham and Harry Beckett in the cast. It was a tremendous success. As far as I can remember this was entirely spontaneous and beyond the expectations of the manager and the performers. I due to their topical songs and the pleasing melodies drawn from popular London music hall successes which accompanied them.

The opening play at Niblo's was the Forty Thieves." This had all the riginal cast of "Ixlon" with the companied of the companied that the riginal cast of "Ixlon" with the companied the companied that the riginal cast of "Ixlon" with the companied that the riginal cast of "Ixlon" with the companies of the country forms and the companies of the country forms and the companies of the country forms and t There is a keen interest in Western Much of this success, apart from the athletics in Siam, but there is greater artistic merits of the performers, was

"Forty Thieves." This had all the original cast of "Ixion" with the exeption of Ada Harland, who disappeared believe to get married and who never reappeared thereafter on the stage.

The death of James G. Huneker has

cident of sitting next to Lydia Thompson in Beerbohm Tree's theatre during a per-formance of "Twelfth Night." For years I had heard him tell of Lydia and the days of "The Black Crook" at Niblo's Garden, so I thought he would like to meet her. Zeffie Tilbury, Lodia's daugh-ter, was in the cast with Tree, so I drew her into the plot.

An Old Stage Sensation.

Lydia Thompson Recalled by One Who Saw Her as a Boy.

To The New York Herald: The opening performance of Lydia Thompson's troupe of British blondes took place at Wood's Museum. The cause of the shift to Niblo's Gurden is interesting in retrospect.

Wood's Museum at that time was far up town. It occupied the site which was speak at a dinner of the alumni of the Clark Wood's Museum at that time was far up town. It occupied the site which was

mais then forming much of the exhibit at that place and which was declared equally offensive to the British beauties and to their audiences.
